

# DoD ECA – Medium Assurance Foreign Certificate

### Affiliated Programs

The DoD ECA Medium Assurance Foreign certificate is used to conduct business through DoD ECA agency applications; however, some agencies do require a higher assurance certificate. Select BUY NOW to use our Certificate Selection Wizard, where we will assist you in choosing the certificate type that has the appropriate assurance level required by the agency with which you transact business.

### Product Summary

DoD ECA Medium Assurance Foreign certificates are issued under the Department of Defense External Certificate Authority program and meet the minimum requirements for conducting business with the DoD and other government entities. If you are located outside of the U.S., you may apply for a Medium Assurance Foreign certificate. Applicants who reside in countries not approved by the U.S. Federal government may not be eligible.

This certificate is stored in your browser certificate store on your local PC or laptop.

<b>Identity Authentication Method:</b>	Your identity must be verified by an individual authorized to complete identity verification for the ECA certificate. See our <a href="#">Identity Verification document</a> for more information.
