

DIGITAL CERTIFICATES

IdenTrust SAFE Identity | Medium Assurance | Business Identity | Hardware Storage | Trusted By Adobe® Certificate

IdenTrust SAFE Identity | Medium Assurance | Business Identity | Hardware Storage | Trusted By Adobe® certificates are issued to users working for organizations that are members of SAFE Identity organization.

These certificates can be used by users who submit digitally signed and sealed documents to FDA, DEA, and other federal agencies.

Product Summary

IdenTrust SAFE Identity | Medium Assurance | Business Identity | Hardware Storage | Trusted By Adobe® certificates are issued under the IdenTrust Global Common Certificate Authority program, which is cross-certified with the SAFE Identity digital identity and signature standard.

IdenTrust SAFE Identity | Medium Assurance | Business Identity | Software Storage certificates are recognized by Food and Drug Administration (FDA), Drug Enforcement Administration (DEA), and other federal agencies.

The Hardware certificate is bound and stored on a FIPS 140-2 compliant hardware device (USB token or Smart card). This certificate can be used with multiple PCs or laptops if the ActivID® software is installed. This certificate is trusted by Adobe® (AATL-enabled). IdenTrust CA is a member certificated under the AATL program, see [Current AATL Members](#) List.
