Alternatively, U.S. citizens may apply for a digital certificate in a country where an Authorized DoD Employee (ADE) has been established, or where the citizen has access to a Judge Advocate General (JAG).

Citizens of Australia, Canada, New Zealand or the United Kingdom, while in any of these four countries, may apply for a digital certificate by completing the online application and retrieving the identity forms. Identity forms must be signed in the presence of a U.S. Consular Officer who is authorized to provide notarial services. Alternatively, citizens of these four countries may apply for a digital certificate in a country where an Authorized DoD Employee (ADE) has been established.

Citizens of other countries require that identity forms are signed in the presence of an Authorized DoD Employee (ADE).
