

TrustID[®] Business Hardware Certificate (AATL Enabled)

Affiliated Programs

Because TrustID certificates are publicly trusted, affiliated programs are not applicable. Anyone can trust your signature or email secured by your TrustID Business Hardware certificate.

Product Summary

TrustID Business Hardware certificates are issued under the publicly trusted IdenTrust TrustID program and are used by individuals who are affiliated with a sponsoring organization to conduct business in a digital world. For **AATL**, the digital signature is instantly trusted whenever the signed document is opened in Adobe[®] Acrobat[®] or Reader[®] software.

This certificate is stored on a hardware device (Smart card or USB token) and can be used from multiple PCs or laptop as long as the device utility application is installed.

Identity Authentication Method:	Your identity must be verified by a Notary Public
Identity Proofing Requirements:	Proof of identity and affiliation with the sponsoring organization
Forms Packet Required:	Yes - You are required to submit a forms packet with your application
Trust Model:	This certificate is publicly trusted
Assurance Level:	Medium Assurance
Certificate Type:	This is an affiliated certificate that is issued to you and your sponsoring organization. As issued from IdenTrust commercial public root trusted in Adobe [®] 's Approved Trusted List (AATL), the digital signature is instantly trusted by Adobe [®] 's products
Validity Periods:	Available in one (1) and three (3) year validity periods
Storage Type:	Hardware (Smart card or USB token)
Available to Non-U.S. Residents:	No - This certificate at present time is available to U.S. and Canadian residents only
Application Approval:	3-5 business days after IdenTrust receives your forms packet
