

TrustID® Medium Assurance Unaffiliated Hardware Certificate (AATL Enabled)

Product Summary

TrustID Medium Assurance Unaffiliated Hardware certificates are issued under the publicly trusted IdenTrust TrustID program and are used by individuals who wish to secure email and digitally sign documents of personal nature.

For **AATL**, the digital signature is instantly trusted whenever the signed document is opened in Adobe® Acrobat® or Reader® software.

This certificate is stored on a hardware device (Smart card or USB token) and can be used with multiple PCs or laptop as long as the device utility application is installed.

Affiliated Programs

Because TrustID certificates are publicly trusted, affiliated programs are not applicable. Anyone can trust your signature or email secured by your TrustID Medium Assurance Unaffiliated Hardware certificate.
