

IdenTrust offers certificates to foreign applicants. Under the IdenTrust TrustID® and IdenTrust Global Common (IGC) Certificate Policies, a foreign applicant is defined as anyone residing and /or working outside of the United States.

### TrustID® Certificates

TrustID Business certificates and TrustID FATCA IRS certificates are available in most non-U.S. countries; except where prohibited by U.S. Federal Government Sanctions. Countries that are currently **ineligible** for certificate issuance under the TrustID program are:

- Belarus
- Congo, the democratic Republic of
- Cuba
- Korea, Democratic People’s Rep. (North Korea)
- Lebanon
- Libya
- Myanmar, Burma
- Iran, Islamic Republic of
- Iraq
- Russian Federation
- Somalia
- Sudan
- Syrian Arab Republic
- Ukraine
- Venezuela
- Yemen
- Zimbabwe
- 

### IdenTrust Global Common (IGC) Certificates

IGC Medium Assurance Device certificates are currently **available** in a limited number of Non-U.S. countries, including:

- Argentina
- Canada
- Columbia
- India
- Ireland
- Korea, Republic of
- Mexico
- Netherlands
- Panama
- Singapore
- Switzerland
- Taiwan, Province of China
- United Kingdom

If you require an IGC Medium Assurance Device certificate and you reside in a country that is not listed, please feel free to contact IdenTrust [Sales@IdenTrust.com](mailto:Sales@IdenTrust.com) and we will investigate options to add your country.

### DoD ECA Certificates

IdenTrust offers foreign certificates under the Department of Defense (DoD) ECA program; however, the criteria for applying and countries that are eligible are specifically defined by the DoD.

See [About Foreign ECA Certificates](#) for a comprehensive overview of our DoD ECA foreign certificates offerings.

Please note that although IdenTrust will accept applications in foreign countries, there is no promise that applications can always be approved. We must be able to validate application information according to the governing Certificate Policies and may not always be able to obtain the information necessary to approve an application.
